FISHING REGULATIONS

1. I.G.F.A. Rules apply except as follows.
2. Only non-offset circle hooks and maximum manufacturer stated 20-lb. test line may be used.
3. The length of the leader may not exceed 15 feet. The combined length of the double line and the leader may not exceed 20 feet.
4. Live or dead baits may be used, but only one type of bait is permitted in the water at any one time. Teams are required to declare which type of bait they will use on each fishing day. Boats can change their bait choice during the day but there will be a 10 minute delay once the switch occurs.
5. Chumming of any kind, including with live bait, is prohibited.
6. No more than six rods are permitted in the water at any time. This includes rods being used to catch bait.
7. Live Bait: No more than two kites may be used. Artificial or dead bait dredges or surface teasers are permitted.
8. Trolling: No more than two dredges may be used. No more than two artificial or dead bait surface teasers may be used (artificial or natural chains)
9. Live bait teasers are prohibited.
10. Passing the rod after hookup (hook and hand) is permitted to a registered angler only once per fish. **The pass must occur immediately after hookup!**

CATCH VALIDATION

1. The Jupiter Billfish Classic will be utilizing video catch verification on all participating boats. Each team will be prompted to show a phone or GPS with date and time as well as showing the card of the day, which will be in your tournament registration folder from the captains meeting. **The card of the day is required to be shown with each release.**
2. The Jupiter Billfish Classic committee will utilize video catch/ release verification for all participating boats. Every boat must supply their release footage at the end of each fishing day upon check-in. Date & Time stamps must match the dates that you fish. Release videos are required in order for your fish to count. SD cards must be dropped off by 6pm to one of the three inlets, The Jib Club, Fish Heads, Sailfish Marina. **SD CARDS ARE REQUIRED!**
3. Video must clearly capture the species of fish during the fight and the release of each fish. Anglers fighting the fish must also be identified on video. Failure to qualify species and release of fish will result in disqualification of fish.
4. Any question or concern regarding fish verification will be determined by the Tournament Committee alone. Polygraph will be administered to the winning team in the event there is a discrepancy with a protest.

5. To qualify for points each release must be called in by VHF to the Tournament Committee with the boat name, number, type of bait and angler's name. If the committee boat can not be reached via vhf releases may be called in by cell phone (561-665-1613). The release time, fish number and angler's full name must be entered for each release on the boat's catch log and signed by the captain.
6. Within 15 minutes of lines out, all hook ups must be called.
7. A release is official when the leader is touched by the mate, the leader is wound inside the rod tip or the cork on a live bait rod touches the rod tip.
8. Your entry into the Jupiter Billfish Classic implies expressed approval that you and all anglers and crew members will submit to a polygraph test if requested by the rules committee. Failure to do so will result in disqualification. A certified polygraph examiner will be on site should such services be required.
9. Meat Fish Validation: Weigh in will be at the JIB club In Jupiter each day from 3:30p-5:30pm – will be available for teams to pull in and weigh. No mutilated fish will be weighed. Species include, Kingfish, Dolphin, Wahoo, Cobia, Tuna. Heaviest overall will qualify to win.
